***HYMN** *Christ, Whose Glory Fills the Skies* No. 173

PRAYERS AND GIFTS

***OPENING PRAYER**

Good morning, Lord. Your Word teaches us that You desire for Your people to be set apart and be holy. Striving to become holy should be at the top of our bucket list. Seeking holiness as a lifestyle is difficult because we are constantly stumbling and struggling to get back up when we convince ourselves that sin is no big deal or does not make a difference. The Lord is seeking to draw us into a conversation over how His will is the best. Forgive us when we seek something better than the plan You had laid before us. Amen.
