

Inclement Weather Policy

February, 2020

If there is potential for severe weather the Senior Pastor and Director of Operations will discuss options and make a decision. For weekdays, Mount Pisgah church office and activities will be open if the road conditions are safe for the members and staff to travel. Please remember to use caution on the road, parking lot and sidewalks.

Any weather delays or cancellations will be communicated as follows:

Local TV stations, WFMY or WGHP (on the TV or their websites)

Church Email and our website - www.mtpisgahgso.org

Mt Pisgah Church Facebook page

Call the church office, extension 260

We will have church service every Sunday. If weather conditions warrant then 1 or 2 services may be the only worship options available which then will be communicated in timely manner.
